

The Absolute

Take versatility to the extreme with The Absolute. This pool is perfect for those seeking a large and practical design for activities ranging from swimming laps to playing games, to lounging and relaxing.

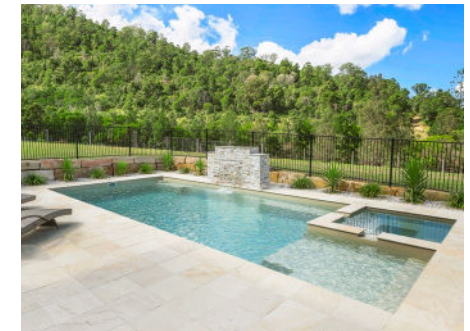

The Absolute is a stylish and practical swimming pool range that ticks all the boxes. The built-in spa is seamlessly integrated into the overall pool design and has the option to run off the pool filtration system or a separate filtration and heating

unit. Clever overflow channels act as spill-over ledges and create beautiful waterfall effects. The addition of a large, shallow splash deck is one of the most popular innovations in the swimming pool industry.
