

The Esprit

In the spirit of its name, The Esprit invokes feelings of joy, life, and vigour. A lively and uplifting design, this pool is as enchanting as it is adaptable. A beautiful compact package allows you to have it all: a place to lounge, play, and swim.

The Esprit's generous length of 5.70m provides ample opportunity to swim and relax. The long bench seat running down the entire length of the pool offers convenient access to enter and exit from the pool while simultaneously providing seating for all. The unique design of The Esprit gives it the flexibility to be arranged into smaller spaces next to the house or a boundary fence

without sacrificing style. An ideal pool for optional swim jets, The Esprit performs double duty as both a relaxing pool and an exhilarating swimming experience. The long rectangular corridor with its flat bottom design spanning the entire surface of the pool that is the hallmark of this design welcomes kids at play, pool sports, and fun pool workouts.
