

The Reflection with Splash Deck

Taking the core elements of the ever popular Reflection, the addition of a splash deck takes it to a new level. Nestled into the shallow end, the added splash deck gives your family the ideal spot for relaxation and fun.

This celebrated splash deck is a great addition to The Reflection pool. It not only makes it more visually stunning, but it also creates a versatile space. Additionally, the splash deck can be

transformed into an exciting water feature. Just add some bubbler jets in the floor and let the show begin! It's no secret The Reflection with Splash Deck makes an already outstanding pool that much better.
